November Update

Update From Last Month

Thank you for all of your ideas for what to do for Children In Need (Friday 17th).

The most popular options were a **non-uniform day** and a **teddy bear hunt** so this is what we are doing!

The hunt will happen at lunchtime and there will be a prize!

**Children
in Need**

Update From Last Month

These were the most popular trim trail items. We will now need to get some quotes for the work to be done. We will keep you updated with what happens next.

Lunch Equipment

What new equipment would we like for the playground for lunch?

Look at the following options. **Rank them from 1-5.**

1 = most popular

5 = least popular

Stilts

Cannon Ball Drop

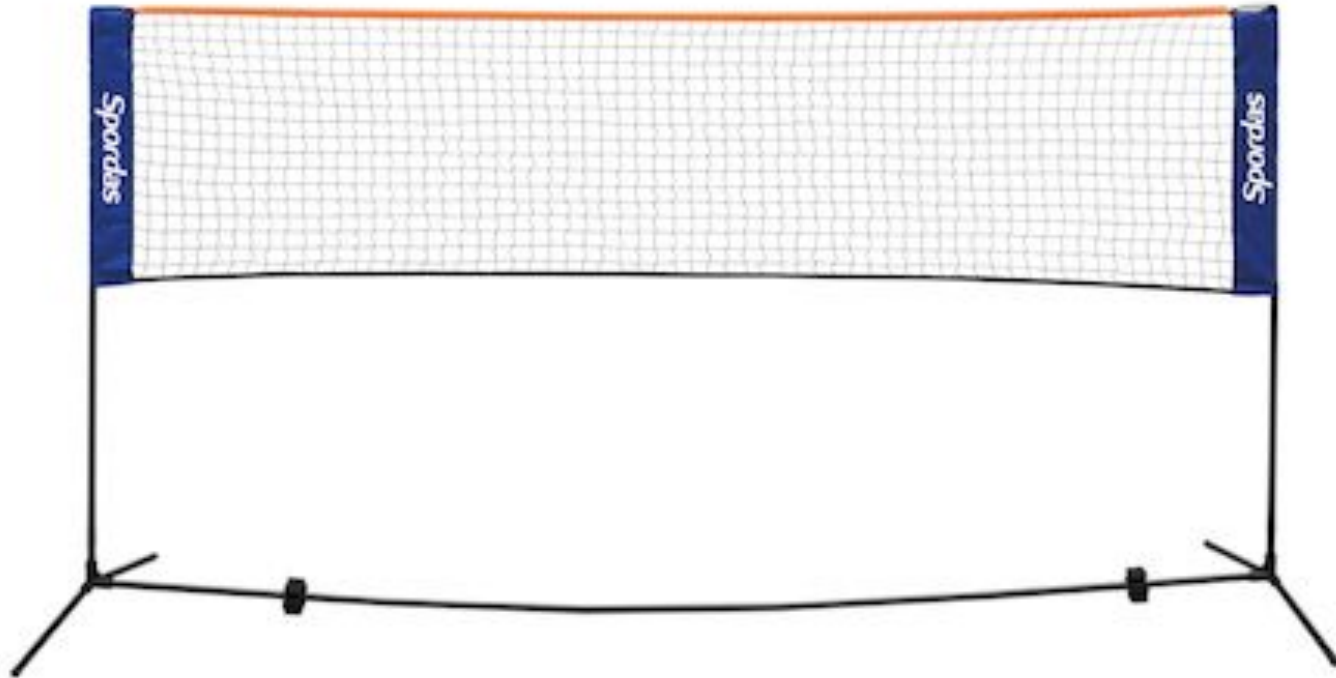

Skipping Ropes

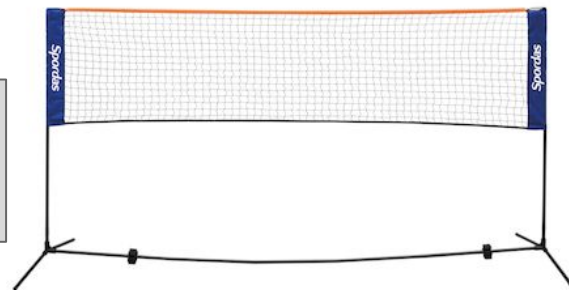

Rebounder

Tennis Nets (more of these)

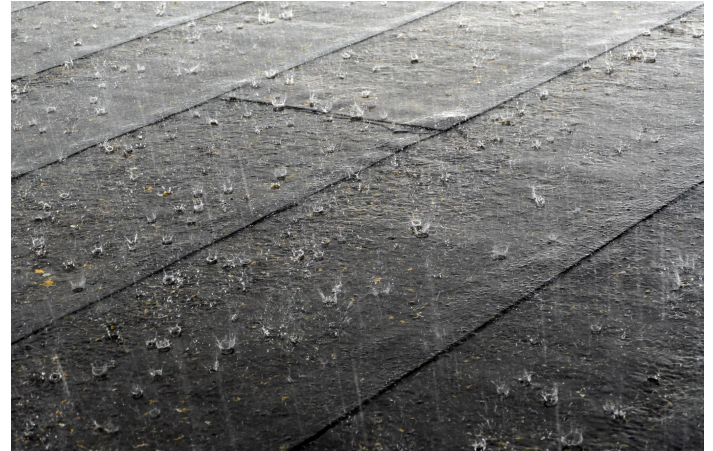

Rank 1-5

Wet Play Equipment

This time of year we are more likely to have wet play. Some classes have commented that they don't feel that they have enough to do when it is indoor break.

As a School Council, we would like to improve this for everyone by buying new equipment for each class.

Wet Play Equipment

What games would you like to have in your classroom?

Here are just some examples.

Wet Play Equipment

Other Issues:

What would you like us to discuss in future meetings?

List your ideas below:

Actions

Give completed sheet back to Mrs Horsburgh by Friday 10th November.

We will share the results and then buy the new equipment.
